READING IS FUNDAMENTAL (RIF):

This year we are partnering with the Boys and Girls Club to promote RIF (Reading is Fundamental).

Our time is volunteered once a month to promote reading, writing, art, and life skills. We want each child we work with to know that we care and that we are there for them whenever they need us. Each JA member gains so much through these acts of serving and find it to be such a blessing. It is a truly rewarding experience for all of us. If you are ever interested in volunteering to help, please contact our Chairman- Becca Pepper (becca.invitation@gmail.com). We would love to have you join us and the precious children of our community!

PRESIDENT'S LETTER

Hello to JA of Yazoo City Lifetime members and Associate Members, I hope this newsletter finds you well! What an awesome year we have had this far! We have a great provisional class that we will present at the Spring Social. This year, we partnered with the Boys and Girls Club for our RIF program and enjoyed talking about holidays, germs, and hygiene. JA of Yazoo City has a child welfare family with multiple children of varying ages. We loved stuffing stockings for them during Christmas and plan to do Easter baskets in April, along with other items and meals throughout the year! Day with JA will bring an exciting healthy activity for all ages in March. We appreciate all of your support and encouragement.

-Heather Jones

CHILD WELFARE

This year, we are honored to be serving a caring, strong family here in our own community. This family has multiple children in their household who all have a variety of needs depending on their age. They are very grateful and kind, and we find it a privilege to not only get to know them, but to help them in any way we can.
